

REGISTRATION FORM FOR ALL-PARTY PARLIAMENTARY GROUPS

OVERVIEW

Any group wishing to apply for inclusion on the Register of APPGs in the new parliament must first hold an Inaugural Meeting to elect the group's officers then submit this form (see section 15 for contact details) within 28 days of holding the meeting. These requirements apply equally to groups that existed in the last parliament and those that did not. Please also note that you cannot hold the Inaugural Meeting before Parliament has assembled for the first time, and there is no deadline by which a group must hold its Inaugural Meeting.

If your group was listed on the Register at the end of the last parliament, before arranging your Inaugural Meeting you will need to read [Advice Note 6](#), a copy of which was sent to all chairs at Dissolution. The note details requirements about the group's financial and other records and who is responsible for these. Please note that the guidance contained in this form and in Advice Note 6 supersedes the general election guidance contained in the current edition (May 2017) of the Guide to the Rules on APPGs.

1) Please supply the group's name below

The group's name must include the words All-Party Parliamentary Group and describe the group's core subject (eg. 'All-Party Parliamentary Group on *Taxation*').

All-Party Parliamentary Health Group

2) Please supply the group's statement of purpose below in no more than 50 words

The All-Party Parliamentary Health Group (APHG) is a cross-party forum that brings together Parliamentarians and senior health leaders to discuss key issues on the NHS, health reform and future trends.

3) Please tick *one* of the boxes below to indicate the group's category

- Country group (focuses on a particular country, area or region outside the UK)
 Subject group (focuses on a particular topic or issue)

4) Please supply below the date on which you held the group's Inaugural Meeting (see overleaf) in the current parliament

Date	22 nd January 2020
------	-------------------------------

The group must hold its Inaugural Meeting *before* submitting this form. This is the group's first formal meeting. It can only be held after Parliament has assembled for the first time and must be held at Parliament and on a day when both Houses are sitting.

The Inaugural Meeting must be advertised on the All-Party Notices in good time to give parliamentarians one week's notice. [TIP: The Whips (allpartynotice@parliament.uk or 020 7219 4333) publish the APNs once a week on Thursdays, though not necessarily during recess, and their current deadline for receipt of Notices from APPGs is 5pm on Wednesdays. This means you may have to contact them **a few weeks** in advance of the meeting in order to give Members at least one week's notice].

At the Inaugural Meeting at least five Members of either House, including at least one MP, must be present. Only parliamentarians are allowed to vote at the meeting. There is one mandatory item of business, namely the election of officers (see section 5).

5) Please supply below the role, name, and party affiliation of each of the officers elected at the group's Inaugural Meeting

- Groups may appoint Peers to any position (including Co-Chair), except for that of Chair and Registered Contact

Please note that 'Chair & Registered Contact' is a mandatory role for each group and there can only be one per group. That person is responsible for ensuring that the group complies with the rules of the House and that the group's secretariat (if it has one) is aware of and complies with those rules.

[TIP: There are no other mandatory roles or titles for officers but some commonly used ones are: Co Chair, Vice Chair, Secretary and Treasurer].

9) Group's reporting year

The **start date** of the group's reporting year for the current parliament will normally be the date of its Inaugural Meeting in this parliament. From this we will calculate the **end date** of the group's reporting year (which will be one year after the start date, less one day) and the group's **reporting deadline** (which will be four months from the end date). The day and month of the start and end dates and of the reporting deadline normally remain the same for each successive reporting year within a parliament.

The significance of the reporting year is as follows. The group must hold its **AGM** after the end date of its reporting year and before its reporting deadline. Also, if the group has received benefits whose combined value exceeds £12,500 in its reporting year it must produce an **income and expenditure statement** for approval at its AGM. Full details about both requirements are in the Guide to the Rules on APPGs, and the group will be sent a reminder about them at the end of its reporting year.

If, **exceptionally**, the group wishes to request a different reporting year (for example, if it is a charity in addition to being an APPG and reports to the Charity Commission) please briefly **explain why** this is needed in the box below and include the start date, end date and reporting deadline of your proposed reporting year.

10) Please supply details of financial benefits received by the group

A **financial benefit** involves a transfer of **money** from a donor to the group.

Details of any financial benefit received by the group from a source other than Parliament must be registered below, if the total value of the benefit from that source **exceeds £1500** and the benefit was received **on or after** the date of the group's Inaugural Meeting.

Please avoid using unnecessary acronyms and abbreviations below.

Source of financial benefit	Value (£)	Date received
<i>Eg: Quality Products Ltd</i>	£10,638	21/06/2019

11) Please supply details of benefits in kind received by the group

A **benefit in kind** involves a donor giving **goods or services** (*not* money) to the group, or paying for these on the group's behalf.

Details of any benefit in kind received by the group from a source other than Parliament must be registered below, if the total value of the benefit from that source **exceeds £1500** and the benefit was received **on or after** the date of the group's Inaugural Meeting.

Do *not* register **secretariat services** in section 11 (please see **section 12** instead).

Please avoid using unnecessary acronyms and abbreviations below. To register the **value** please select the appropriate value band from the table in section 17.

Source of benefit in kind	Description of costs met	Value (in bands of £1,500)	Date received
<i>Eg: Quality Products Ltd</i>	<i>Reception held on 21 June 2019</i>	<i>4,501-6,000</i>	<i>21/06/2019</i>

12) Registration of secretariat services provided to the group

Whether or not secretariat services must be registered as a benefit depends on who pays for them and how much they pay in the course of the group's reporting year (which is defined in section 9 above) to meet the cost of them. The most common scenarios are outlined below to help you determine what, if anything, your group is required to register.

If either of the following scenarios applies to your group, do **NOT** complete section 12. If neither scenario applies to your group, follow the guidance in 12a-f below.

- **An individual or organisation is paid from parliamentary expenses or parliamentary funding** for the time they spend assisting the group. For example, an officer of the group may have a member of staff who is paid by IPSA (the Independent Parliamentary Standards Authority) and provides secretariat services as part of their wider role for the officer concerned.
- **An individual or organisation is paid by the group to act as its secretariat, from money given directly to the group from sources outside Parliament.** [NB: Although the secretariat services themselves are not registrable, the *money* used by the group to pay for them may qualify as a registrable financial benefit - see section 10].

Estimating the value of the staff time donated by the secretariat to the group in the group's reporting year

- The value is the **estimated annual cost** to the secretariat, based on the hours the secretariat's staff are likely to work for the group over the course of the group's reporting year, multiplied by their hourly rate of pay. Wherever possible the estimate should be based on the full costs met by the employer (eg pension contributions, office accommodation and any other costs for which figures are available).
- Include in your estimate any money the secretariat is paid during its reporting year by **any other organisation** specifically for the purpose of providing secretariat services to the group. (An example of this would be a consultancy that is paid by one of its clients to be the group's secretariat). This will give the **combined** annual estimate of the costs borne by all the organisations involved.
- If your estimate is **£1500 or less**, leave the whole of section 12 blank. If the estimate is **more than £1500** use the value bands table in section 17 to work out which value band it falls into then complete boxes 12a-f below.
